Personal qualities

Personal qualities:

At the moment I study at Ida-Viru Kutsehariduskeskus as a software java developer.

Skills received during study and self-study: HTML, CSS, Bootstrap – several websites were created, including in the previous practice - <http://ivkoolitus.ee/>

Java SE, MySQL, Maven, GitHub, Integrated development environment - IntelliJ IDEA, JetBrains PhpStorm :

Developed, in addition to educational projects, a mini toy for children, an application for tracking the live queue at the border (the program parsit data from the site <https://www.estonianborder.eu/>, the Jsoup library is used.).

These applications and code can be viewed on my site - <https://gaile.ee> or - <https://github.com/GaileAlex>.

At the moment I'm studying Java EE.

Communicative, quickly trained, punctual. I devote all my free time to self-study.
